

*Alicia M. Ivey, President/CEO
Phoenix Global Corporation*

Alicia M. Ivey is the President/CEO of Phoenix Global Corporation. Phoenix Global Corporation is a full service environmental and geotechnical drilling firm based in Atlanta, Georgia with more than 35 years of experience in consulting drilling and environmental disciplines throughout the United States and abroad. Their mission is to provide their services according to the industry's expectations and their corporate high standards. The company's client base includes many of the industry's leading engineering firms and governmental entities.

Phoenix Global Corporation signature projects include Hartsfield-Jackson International Airport's 5th Runway Structure Expansion/Road Widening Projects for the Georgia Department of Transportation, and projects for the City of Atlanta.

Under Ms. Ivey's leadership, Phoenix Global Corporation was honored the "Blueprint of Excellence Award" for corporate executives with outstanding performances and demonstrations of excellence in business and "The Phoenix Award" for business owner with a particularly distinguished track record for success.

Under the leadership of Alicia Ivey and the late Cleo Ivey, as part of Phoenix Global Corporation's social responsibility, they spearheaded drilling efforts, donated equipment and provided consulting services which enabled various villages in Africa to have clean drinking water.

Ms. Ivey is the Chairman of Phoenix Global Consulting, a division of Phoenix Global Corporation which provides Diversity consulting services to The Bacardi Corporation and Focus Brands, the owners of Cinnabon, Moe's Southwest Grill, Schlotzsky's and Carvel Ice Cream.

Alicia M. Ivey is a graduate of Reinhardt College and Argosy University where she received an MBA. Ms. Ivey is the founder of the Girls Enterprise Mentorship Program, which is designed to prepare young women from the ages of 12-17 for entrepreneurship.
